Connect with the
Bay Area Air District:

February 24, 2017

Ms. Elizabeth Adams
Acting Director, Air Division
United States Environmental Protection Agency
75 Hawthorne Street
San Francisco, CA 94105

Dear Ms. Adams:

This is to advise you that the Bay Area Air Quality Management District is issuing the renewal Major Facility Review permit for the following facility.

Facility	Facility Name	Application	Permit Engineer	City	County
A3288	Puglia Engineering, Inc. San Francisco Shipyard	27586	D. Jang	San Francisco	San Francisco

The 30-day public comment period for the proposed renewal permit ended on January 18, 2017 and the 45-day EPA review period ended on February 6, 2017. The District did not receive any comments on the proposed permit from the EPA, ARB, or the public.

After the close of the comment period, the facility informed us that their name had changed from BAE Systems San Francisco Ship Repair, Inc. to the name listed above due to a change of ownership.

The District has decided to issue the permit. The final permit can be viewed on the BAAQMD website at <http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits>. We will also send the final permit to you via the Electronic Permit Submittal System. If you have any questions regarding this permit, please call Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely yours,

Signed by Damian Breen for Jack P. Broadbent
